At pm, with a good consistency. And his subject matter - the fragmentary nature of modern life, with its small local victories and defeats, its focus on the present moment and its prevailing mood of disillusion - also seems to fall naturally into those short forms which deal with glimpse, crisis, turning point and representative episode.

Designing organizations: an executive briefing on strategy, structure, and process

There are surrealist and avant-garde works, mostly related to the unconscious. Chianelli, T.
