## **Dementia: Including medicine index**

Such overlap and duplication among components of different interventions complicate efforts to estimate both the effectiveness and the cost-effectiveness of different interventions.

## **Dementia: Including medicine index**

Such overlap and duplication among components of different interventions complicate efforts to estimate both the effectiveness and the cost-effectiveness of different interventions.

## **Why the Tithe?**

Great rock artists have always been able to take a beautiful melody, passionate lyrics, and big guitars and drums to create something really special. Theiss 14 and Haubrichs Walther uses this topos in an original way, for he transforms it into the re-remembrance of things past and a melancholic meditation on the decay of present times.
