The Russian Revolution: 1917-1921 (Routledge Sources in History)

GREAT story!! The design of the rocket has changed many times over the years, but the elements seen here are fairly typical.

Hegel on Second Nature in Ethical Life

Marcuse argues that an alternative idea, concept or text can be inserted into a curriculum of familiar, mainstream materials in such a way that serves only to underscore the normality of the center while positioning the alternatives as exotic .

Inorganic Chemistry of the Main-group Elements: v. 5 (Specialist Periodical Reports)

Their influence has proved more potent than their sales were at the time, overshadowed by other groups and ripped off by music fat cats, theirs is a tale of returning to the stage to find that their fanbase has grown in the intervening half a century.
