## **The Throne of Caesar: A Novel of Ancient Rome (Novels of Ancient Rome)**

Our point is merely that if one reduces Reagan foreign policy to its component parts—a strong military, but rarely used; a confident United States that struck some as arrogant, but which was led by a generally affable leader and that became collectively more comfortable in its skin as the decade progressed; and an economically successful nation with strong industries in various key strategic sectors—that could offer an analogy to a future Russia. Brail - To furl or truss a sail by pulling it in towards the mast, or the ropes used to do so.
